

MAMRE-ABBOTTS-ALDINGTON ROAD UPGRADES PROJECT

Important notification: Upcoming roadworks

Dear Neighbour,

Essential construction works on Aldington Road and Abbots Road are scheduled to begin in the week commencing **Monday 10 November 2025**. These works form part of the **Mamre-Abbots-Aldington Road Upgrades (AARU) Project**, aimed at improving transport infrastructure and connectivity in the area. This notification includes information about the **commencement of AARU Phase 2 (main roadworks)**. Please read carefully to understand how these works may affect your access to your property.

AARU Phase 2 - Main roadworks starting 10 November 2025

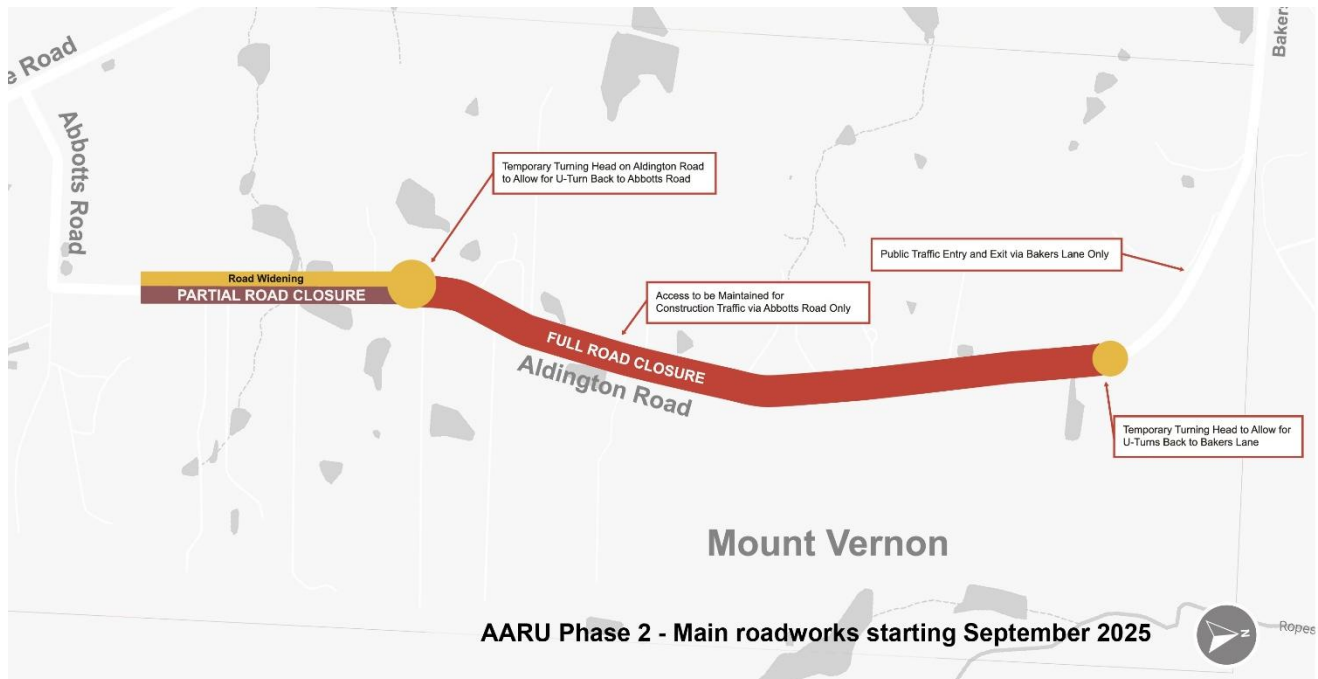

Please note:

- Main roadworks will occur on Aldington Road, including road widenings to temporarily redirect all traffic.
- The **northern section of Aldington Road will be entirely closed during the Phase 2 roadworks**.
- Access to and from your property will be via **Abbots Road** only.
- **Access to your driveway will be maintained.**
- Works will occur **Monday to Friday, 7:00 am-6:00 pm** and **Saturdays, 8:00 am-1:00 pm**.
- Works are expected to take **approximately 16 months**.

Please refer to the **Phase 2 Roadworks Map** showing the detours and road closures for your information.

MAMRE-ABBOTTS-ALDINGTON ROAD UPGRADES PROJECT

Works area.

What mitigations are in place to minimise noise and dust?

Noise and dust will be managed through a range of onsite control measures, including live dust monitors, water sprays, and limiting works to approved hours.

We're committed to minimising disruption and ensuring your safety and comfort while these works are carried out. If you have any questions or would like to speak with a member of the project team, please contact us on 1800 960 071 or via email at info@mamrealdingtonupgrades.com.au.

Thank you for your understanding and cooperation.

Kind regards,

Mamre-Abbotts-Aldington Road Upgrades Engagement Team
