## Important notification: Upcoming Construction Works

---

Dear Neighbour,

Construction works on the Mamre–Abbotts Intersection Upgrade are expected to commence in the coming weeks. This upgrade will improve traffic flow and safety at the Mamre Road and Abbotts Road intersection, reducing congestion and improving access for both local residents and industrial operators.

### When will the works take place?

Construction is expected to start from Monday 24 November 2025.

The first stage will involve up to four consecutive nights of works between 7:00pm and 5:00am. Completing construction over four nights will help minimise disruption for residents.

Following this stage, works will continue during standard daytime hours:

- Monday to Friday between 7:00am and 6:00pm
- Saturdays between 8:00am and 1:00pm.

### Where will the works take place?

The works will be conducted at, and around, the Mamre Road and Abbotts Road intersection, as shown on the map provided.

### What to expect?

During the works, you can expect:

- Deployment of concrete barriers, line-marking adjustments and installation of signs.
- Construction of a temporary pavement in preparation for further project works.
- Minor changes to lane configurations.
- Traffic control and reduced speed limits.
- All driveway access will be maintained for local residents on Mamre Road.

Traffic arrangements for future stages of the project will be communicated before any changes occur. For your safety, please follow all traffic signs and directions from Traffic Controllers.

## What mitigations are in place to minimise noise and dust?

We are committed to managing noise and dust by implementing control measures at the source. These include live dust monitors, water sprays and verification noise monitoring in accordance with the Construction Noise and Vibration Management Plan (CNVMP). These night works will be undertaken in accordance with approved management controls to reduce disturbances as much as possible.

### **Please note.**

This notification is accurate at the time of publishing. Dates for works are subject to change. To stay up to date, please visit <https://mamrealdingtonupgrades.com>. If you would like to meet to discuss the projects or its impacts, we are happy to arrange a suitable time upon request.

We're committed to minimising disruption and ensuring your safety and comfort while these works are carried out. If you have any questions or would like to speak with a member of the project team, please contact us on 1800 960 071 or via email at [info@mamrealdingtonupgrades.com.au](mailto:info@mamrealdingtonupgrades.com.au).

Thank you for your understanding and cooperation.

**Kind regards,**

Mamre-Abbotts-Aldington Road Upgrades Engagement Team
